PRODUCT SPECIFICATION

REF 51011019 CEDERROTH SOFT FOAM BANDAGE BEIGE 6CM X 2M

1 GENERAL PRODUCT DESCRIPTION

Description

Cederroth Soft Foam Bandage Beige is an elastic, self-adhesive, latex free bandage made of polyurethane foam. The bandage is protected by paper on both sides and packed in a cardboard box with dispenser function. The bandage is intended to be used on minor wounds. The skin friendly, breathable bandage does not adhere to the wound nor skin and it does not lose its adhesive properties in water. It can also be used together with ointments or cream.

The product is intended for single use.

CE labelled medical device, class I.

Storage information

Dry storage in room temperature.
For maximum protection, keep in original package until use.
